## Memorial Scholarship Fund

## Dear Supporters

The Federation of Public Employees is pleased to announce our annual Federation Labor Fest picnic to benefit the Charles J. "Chuck" Browne Memorial Scholarship Fund, Inc. The picnic will be held Saturday, October 13, 2012 at Tradewinds Park. Last year, the Federation of Public Employees awarded seven two thousand dollar (\$2,000) scholarships on behalf of the Charles J. "Chuck" Browne Memorial Scholarship Fund, Inc.; and we want to increase the number of scholarships given this year. We would like to extend an invitation to partner with us in our endeavor to raise funds so that Federation members, their children, and grandchildren will have an opportunity for a higher education.

### Who is the Federation of Public Employees?

The Federation is a non-profit organization that represents over 15,000 government employees in Florida. We are School Board employees, Law Enforcement employees, State employees, and County employees, Municipalities, Colleges, and Special Taxing Districts. Our members are primarily located in the South Florida Market and consist of a vast array of individuals. The mission of the Federation is to improve the lives of our members and their families. One way of doing so is offering our members, their children, and their grandchildren the opportunity to receive a higher education through the Charles J. "Chuck" Browne Memorial Scholarship Fund, Inc.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Reynolds".
